ADDED VALUES

STANDARD [S]

Sanded without additional features.

BRUSHED [B]

Brushed floors exude a rustic and homely appearance by emphasizing on the natural structure of the wood. The touch of the wood is enhanced by steel brushing the floor boards, which gives it a lively structure, accentuates light and adds extra perspective to your floor.

HAND-SCULPTURED [H]

Craftsmen using century-old techniques to create the charm and ambience of hand-crafted, custom-made flooring. In this way each new plank is truly unique, adding character and originality to your lacquered floor; characteristics which traditional flooring does not offer.

FINISHINGS

LACQUERED

For some, the maintenance of wooden flooring can be quite a burden. In order to meet the demand for easy maintenance. ReTree offers a range that is characterized by its application of a multitude of high quality UV coatings. The result is an incredible scratch and wear resistance. Thanks to the ability to control the brilliance of the lacquer, ReTree still realizes the natural artistic preferences of the wood.

OILED

Oil finishing is an answer to the desire of returning to nature. It allows the wood to breath and live outside the tree by nurturing every single vessel of the wood. The range of ReTree 's oil finishes brings out the natural beauty of the wood and protects it from harmful exterior elements. The finishing oil is an environmental friendly product based on vegetable oil. It penetrates the wood surface easily which ensure a hard-wearing surface.

YOUR WARRANTY

Thank you for selecting ReTree interior wooden products.

1. During this limited warranty, your ReTree products are warranted to be free from defects in manufacturing, materials and workmanship.
2. Should the Goods be defective and under the Seller's warranty, ReTree shall be obliged, at its sole discretion, either (i) to replace such Goods, or (ii) to reduce the product price or (iii) to cancel the said contract and take back the Goods. In case such Goods are not longer available, ReTree will ensure replacement by an alternative product of the same quality.
3. In any event the Seller shall not be liable for any loss of processing, loss of production, loss of revenue and/or any incidental or consequential or special loss or damage directly or indirectly sustained by the customer or by any other person whatsoever. Any obligation for damages shall be limited to foreseeable damages only, however, not to exceed the invoiced value of the Goods in respect of which the Seller is in default. It is the customer's responsibility to separate the Goods in default from the Goods conform the contract
4. Upon Delivery of Goods, a complete inspection of the Goods shall be carried out. Any apparent damage to the packaging of the Goods or to the Goods themselves, or any shortage of the quantities shall be noted and communicated promptly to the Seller in writing by fax or legally signed e-mail. The Goods shall be considered automatically accepted upon Delivery if the customer fails to make any comments in writing in respect thereof not later than 15 days after their Delivery. Any claim in respect of any defect, deficiency and/or shortage in quantity of the Goods after this period shall be statute-barred
5. Undetectable defects at Delivery must be notified in writing to the Seller immediately upon discovery, but, in any event, no later than 30 days after Delivery. After this period, during which the customer must thoroughly inspect the Goods, any claim in respect of such defects shall be statute-barred.

WARRANTY

CONDITIONS & EXCLUSIONS

ReTree products are built to be durable and long lasting. There are certain conditions or applications, however, over which ReTree has no control. Defects or problems as a result of such conditions or applications are not the responsibility of ReTree and are NOT covered under this warranty. They include:

- ✓ The Goods have not been fitted in accordance with the instructions.
- ✓ Any misuse, modification or alternation.
- ✓ Normal wear or discoloration of finishes.
- ✓ Environmental conditions or exceeding design standards
- ✓ Natural variations in the colors of the wood or in the texture and grain of wood.
- ✓ This limited warranty does not cover, in any way, problems or damages associated with, caused by, contributed to or aggravated by mold, mildew, fungus or any similar organisms.
- ✓ Wood is a natural product and susceptible to expansion and contraction caused by temperature and humidity variation. The natural characteristics of wood movement cannot be warranted against, as slight shrinking and expansion may occur under certain conditions. These deviations from perfection are not considered flaws. ReTree installations instructions must be followed to minimize the problems.
